

APIZEE® Software Development Kit (SDK) License Agreement

Apizee, Inc. (“Apizee”) provides the ApiRTC Services Software Development Kit (“ApiRTC SDK”), (collectively, the “ApiRTC SDK” or “Software”) to you subject to the following terms and conditions. By downloading, installing, or using the Software, you (the individual or legal entity) agree to be bound by the terms of this license agreement (the “Agreement”). If you disagree with any of the following terms, then do not use the Software.

1. The Software contains a variety of materials, interface definitions, documentation, sample utility applications and sample code regarding programming interfaces to one or more Apizee products that are referenced in such materials (the referenced products, “Apizee Products”). This Software is intended to be used to execute supplied commands and utility applications and to create scripts that interact with the Apizee Products.

2. **Use Rights:** Subject to the restrictions below, you may download and make a reasonable number of copies of the Software for your own internal use solely for the purpose of creating software that communicates with Apizee Products (your software, “Developer Software”). Some code may be designated as “distributable code” and/or “modifiable code”. You may use and merge all or portions of the “distributable code” with your Developer Software. Any merged portion of any “distributable code” is subject to this Agreement. Additionally, you may modify or create derivative works of all or portions of the “modifiable code.” You are permitted to re-distribute the “distributable code” and the modified or derivative works of the “modifiable code” only as part of your Developer Software for non-commercial or commercial use; provided that you shall only distribute such code subject to a license agreement that protects Apizee’s and its licensors’ interests consistent with the terms contained in this Agreement. Open-source software components provided with the Software are licensed to you under the terms of the applicable license agreements included with such open-source software components. The open-source software licenses can be found in the pattern below, other materials accompanying the Software, the documentation or corresponding source files available on the <https://dev.apirtc.com/apirtc-developer-portal/>.

3. **Restrictions:** You agree that you will not (1) use the Software to create, design or develop anything other than Developer Software; (2) make any more copies of the Software than are reasonably necessary for the authorized use and backup and archival purposes; (3) modify, create derivative works of, reverse engineer, reverse compile, or disassemble the Software except as expressly permitted in Section 2; (4) distribute, sell, lease, rent, lend, or sublicense any part of the Software to any third party except as expressly permitted in Section 2; or (5) use the Software in any manner to (a) circumvent any technical restrictions of Apizee Products or violate any additional licensing terms applicable to Apizee Products that Apizee provides through product documentation, email notification on the Apizee website or in the terms of the End User License Agreements; (b) disable, remove, over-ride or modify the display of any Apizee Product End User License Agreements that the Apizee Products present to the end customers; or (c) upload or otherwise transmit any material containing software viruses or other computer code, files or programs designed to interrupt, destroy, or limit the functionality of any software or hardware.

The restrictions in this Section 3 shall not apply if and to the extent they contradict mandatory local law (including, but not limited to, law implementing the EC Software Directive).

4. Apizee retains ownership of the Software and all intellectual property rights embodied in the Software, including without limitation all copyrights, trade secrets and patents. You may not remove, delete or modify any of Apizee copyright statements in the Software. ALL RIGHTS NOT EXPRESSLY GRANTED HEREUNDER ARE RESERVED TO APIZEE.

5. You may not use Apizee’s name, trademarks or service marks in connection with your Developer Software in a way that suggests your Developer Software is certified or endorsed by Apizee.

6. You are not entitled under this Agreement to receive any Apizee support or subscription services for the Software or any other services from Apizee in connection with the Software. If you have purchased support and/or subscription services for a Apizee product, such support and/or subscription services shall not apply to the Software or your use of the Software.

7. **Term, Termination and Changes:** This Agreement shall continue as long as you are in compliance with the terms specified herein or until otherwise terminated. You or Apizee each may terminate this Agreement for any reason at any time. You agree, upon termination, to destroy all copies of the Software within your possession or control. The Confidential Information, Limitations of Warranties and Liability, and Indemnification sections set out in this Agreement shall survive any termination or expiration of this Agreement.

8. **Confidential Information:** “Confidential Information” means any information disclosed by Apizee to you pursuant to this Agreement that is marked “Confidential,” “Proprietary,” or in some similar manner and any information which you knew or

reasonably should have known to be confidential. You shall treat as confidential all Confidential Information of Apizee and shall not use such Confidential Information except to exercise your rights or perform your obligations under this Agreement. You will protect Confidential Information from unauthorized use, access, or disclosure in the same manner as you protect your own confidential or proprietary information of a similar nature but with no less than reasonable care. You shall not disclose such Confidential Information to any third party during or after the term of this Agreement. This paragraph will not apply to any Confidential Information that: (a) was rightfully in your possession prior to receipt of such Confidential Information from Apizee; (b) is or becomes a matter of public knowledge through no fault of you; (c) is rightfully received from a third party without a duty of confidentiality; (d) is independently developed by you without breach of any confidentiality obligations; (e) is disclosed by you with Apizee's prior written approval; or (f) you are required to disclose by applicable law or court order, provided that you notify Apizee of such required disclosure promptly in writing and cooperate with Apizee in any lawful action to contest or limit the scope of such required disclosure. You acknowledge that breach of this Section 8 will cause irreparable damage to Apizee for which monetary damages will be an inadequate remedy. Accordingly, Apizee will be entitled to seek and obtain injunctive and any other relief (legal or equitable) to restrain any breach or anticipated breach of this Section 8.

9. Limitations of Warranties and Liability: THE SOFTWARE IS PROVIDED "AS IS" WITHOUT ANY WARRANTIES OF ANY KIND. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, APIZEE DISCLAIMS ANY IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL APIZEE BE LIABLE FOR ANY LOST PROFITS OR BUSINESS OPPORTUNITIES, LOSS OF USE, BUSINESS INTERRUPTION, LOSS OF DATA, OR ANY OTHER INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE SOFTWARE OR YOUR USE OF THE SOFTWARE, UNDER ANY THEORY OF LIABILITY, WHETHER BASED IN CONTRACT, TORT, NEGLIGENCE, PRODUCT LIABILITY, OR OTHERWISE. BECAUSE SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, THE PRECEDING LIMITATION MAY NOT APPLY TO YOU.

THE FOREGOING LIMITATIONS SHALL APPLY TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, REGARDLESS OF WHETHER APIZEE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND REGARDLESS OF WHETHER ANY REMEDY FAILS OF ITS ESSENTIAL PURPOSE.

10. Indemnification: You agree to defend, indemnify and hold harmless Apizee, and any of its directors, officers, employees, affiliates and agents, from and against any and all claims, losses, damages, liabilities and other expenses (including reasonable attorneys' fees), arising from your modification of the "modifiable code," the distribution or use of your Developer Software by you or anyone else, and your breach of this Agreement.

11. Data Privacy: Apizee's privacy policy (<https://apirtc.com/privacy>) shall apply.

12. These terms are governed by the laws of France and European Union without regard to conflict of laws principles. These terms constitute the entire agreement between you and Apizee with respect to the Software and supersede all prior written or oral communications, understandings and agreements. Any waiver of these terms must be in writing and signed by the waiving party to be effective. If any provision of these terms is found to be invalid or unenforceable, the remaining terms will continue to be valid and enforceable to the fullest extent permitted by law.
